

## **Gear List for Bivouac Snowcraft Course & MSC Avalanche Awareness**

Please email Jaz Morris: [jaz.n.morris@gmail.com](mailto:jaz.n.morris@gmail.com) if you are unsure of any of the gear. Please ask questions before you arrive. Either email Jaz or post a question on our Facebook page.

### ***Mandatory gear:***

- Goretex or equivalent raincoat and overtrousers
- Stiff mountaineering boots
- Gloves (at least two pair)
- Warm hat/balaclava
- Thermal base layers
- Down/synthetic jacket
- Spare warm layer
- Gaiters
- Sunglasses/goggles
- Helmet
- Ice axe and ice hammer if available
- Crampons
- Harness, 2x locking carabiner and ATC
- Prussik cord 60cm loop
- Avi transceiver, shovel, probe
- Personal first aid gear
- Own food and drink for the day

### ***Optional but potentially useful:***

- Camera
- Thermos
- More spare clothes
- Headtorch

### ***Gear the group could use:***

- General climbing gear - slings, carabiners, trad gear, snowstakes, rope
- Bothy bag
- Spare ice axes/hammers
